Notes on completing the form

1. Set a budget
2. Agree the maximum amount you will pay for an item. When you sum the max limit column the total needs to equal your budget
3. Estimate the cost of each item (up to max)
4. Discuss who wishes to pay for what
5. Record who will pay for each item. (BP=bride'sparents; GP=groom'sparents; B=bride; G=groom; O=other).
6. When you make a purchase or arrange for a service, write in the actual cost (or specific quoted estimate).
7. Record your deposits and balances.
